Purpose of this Publication

Fall 2015

Interested Educators:

The following updated list of bilingual, word-to-word dictionaries and glossaries is authorized for use by English language learners (ELLs) on MCAS and PARCC tests. New titles and new languages have been added, and a small number of dictionaries have been removed that are no longer in print. The Massachusetts Department of Elementary and Secondary Education will continue to add resources as they become available.

Students who are reported as ELLs, or who have been reported as ELLs in the past, may have access to an authorized bilingual dictionary or bilingual glossary for MCAS and PARCC tests. Authorized bilingual dictionaries and glossaries are limited to those that provide *word-to-word* (or *word-to-words*) translations, but may not include definitions. Please note that providing a word-to-word bilingual dictionary to ELL and former ELL students is encouraged, but not required.

While the Department would prefer to include word-to-word dictionaries for every language spoken in Massachusetts public schools, there are languages for which a word-to-word dictionary is either unavailable or does not meet the criteria for inclusion. Other languages may have only oral, but no written forms.

If you have a suggestion for additional entries and/or dictionaries that should be added or removed from the list, please communicate this information via email to mcas@doe.mass.edu.
